

**REMARKS**

In response to the Restriction/Election Requirement mailed May 17, 2006, Applicants elect the species of Embodiment V directed to Figure 10, without traverse. Applicants further identify claims 1-6, 12 and 15-25 as being readable thereon. Applicants respectfully contend that claim 1 is generic to Embodiments I - V identified by the Examiner and kindly request consideration of all pending claims upon allowance thereof.

In view of the above amendments and remarks, Applicants respectfully submit that the claims of the present application are now in condition for allowance, and an early indication of the same is earnestly solicited.

Should any questions arise in connection with this application or should the Examiner believe that a telephone conference would be helpful in resolving any remaining issues pertaining to this application; the Examiner is kindly invited to call the undersigned counsel for Applicants regarding the same.

Respectfully submitted,

BUCHANAN INGERSOLL PC
